Child Sponsorship

Give a child a chance through education

Saphara supports the education of over 1,200 children from the most deprived backgrounds in India. You can help by sponsoring the education of one child – providing that child with a school uniform, books and a committed teacher.

For just £15 per month Saphara will link you with a child from Donk Primary School in the Himalayas or from SNEHA School in Dehradun ensuring that this child has all the support they need to escape from poverty and to realize their full potential – all for just 50p per day!
